SUSTAINABLE DEVELOPMENT THROUGH INTERNSHIPS, MINORS AND VOLUNTEER WORK IN AFRICA

Are you ready for a life-changing adventure? An experience that will impact you personally and contribute to local community projects and businesses in Africa.

Make a difference via a local need based project description

Challenge yourself by temporarily stepping out of your comfort zone

Work together for a better future

WHAT MAKES US UNIQUE?:

- Passionate & personal approach with Africa experience since 2006
- Growing network of close partner relations in Africa
- Quality preparation, guidance and supervision (Bachelor/Master level)
- Matching personal, study and supervision criteria into customized project description
- Fair prices for every stakeholder
- Create local ownership and sustainable end product

We have vacancies within 17 different categories spread over 11 different African countries:
